Good Afternoon,

I followed up this morning at South Park, do to Chief Losorelli, making me aware yesterday of homeless, utilizing the rec and park weight room as a living facility. Yesterday, Captain Torres and his staff with the assistance of Newton officers were able to assist Rec and Park maintenance, to get the door repaired, encampment removed. This morning, unfortunately the lock was broken again and homeless belongings were inside the rec room. When I showed up their was approximately 10+ homeless individuals camping out in the park by the recreational building, not including OG Gang member aka "Blue," monitoring my presence and my conversation with park staff. I completed a police report for the break-in. today I met the new acting SLO Joe Camacho from Newton Division. I will be addressing with him the concerns of Rec and Park management, that were discussed in todays Security Services, monthly meeting with Rec and Park management. Captain Torres, I will also be addressing with Ofcr Camacho, the abandoned items that you have included in this photo.

Have a wonderful day,

Thank You Marya,

I reached out to Captain Torres from Recreation and Parks. He and his team have been very diligent in addressing South Park. I received new photos from Sergeant Kingi yesterday and forwarded them to Captain Torres. There will be a CSP Program in the very near future (South Park CSP Program) and it is our hope the new Officers assigned to the park will assist with the homelessness concerns. We can coordinate through the UHRC with Recreation and Parks, GSD (Senior Lead Officer Helper), LAHSA and our OCB HOPE Team for an Outreach day at South Park.

Renee, I included Sergeant Kingi from Newton Division as OCB HOPE does not respond to Central due to the El Pueblo, this is Newton area, and he is addressing South Park.
